EXAMINER

COHEN, LEE S

ART UNIT PAPER NUMBER

3739

DATE MAILED: 06/26/2006

Please find below and/or attached an Office communication concerning this application or proceeding.

***Response to Amendment***

The reply filed on June 1, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has elected the embodiment disclosed in Figures 1-4 and the upper left quadrant of Figure 5 and listed the claims readable thereon. As pointed out in the election of species requirement, independent claims 1 and 15 do not read on this embodiment (e.g., lack of four corners). Accordingly, the reply is deemed to be nonresponsive and requires clarification. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lee S. Cohen whose telephone number is 571-272-4763. The examiner can normally be reached on Monday-Friday, 7:00-3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on 571-272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 3739

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
